

In an effort to restore some of the beauty and luster that was once the hallmark of the Seven Hills community, SHAG is offering reduced fee yard maintenance, making it affordable to all residents. Our basic service includes cutting grass, edging, and cleaning up after we cut. Additional service includes bush trimming, light landscaping, and planting flowers. Price for basic service starts at \$25 depending on the size of the yard. All additional services will be priced well below market value.

**All fees collected will be used to help fund SHAG's programs and future events.**

Disabled homeowners or senior citizens with disabilities may meet the requirements to have their fee waved
